

Hand Surgery Resource Newsletter Volume 3, Number 5

2019 ASSH MEETING A SUCCESS!

Thank you to everyone who visited our Hand Surgery Resource booth at the 2019 American Society for Surgery of the Hand meeting in Las Vegas this September! We had a great first time exhibiting and can't wait to return again next year!

Our team includes Dr. Lawrence Hurst, Dr. Hari Iyer, Ms. Linda Goldstein, Mr. Bill Redman, and Ms. Lauren Merrill.

Many new users had an opportunity to see and discuss our new site Hand Surgery Source.

Hand Surgery Source includes numerous diagnoses that affect the hand and all symptoms, signs, diagnostic testing sections and treatment options are supported with photographs, diagrams, imaging study examples and references.

Hand Surgery Source contains:

- 235 diagnostic guides
- 160 exams, tests and signs
- 25 diagnostic studies
- Many search options, including congenital disorders, tumors, anatomy area, anatomic systems and general keyword search
- 2,100 photos and drawings
- 122 videos supporting the text
- 3,733 references

I hope you'll sign on today and enjoying using this hand surgery educational site. ***It's FREE***
